

## AATHI THAMIZHAR PERAVAI - 2010

Name :

Age :

Address :

Educational Qualification :

Occupation :

Phone / Cell No. :

Email :

Name of the State Participating :

Position (or Mention as Member, Supporter) :

Number of years Participated in ATP :

Apart from participating in Peravai's activities, how would you like to contribute for the development of Arunthathiyar community through ATP? For example, "During my leisure time, not expecting money, to a small group of arunthathiyar (especially to the youth"), I can:

- ☐ Teach the basic laws in the constitution pertaining to dalits, dalit women, dalit protection and other welfare schemes.
- ☐ Teach basic Political science
- ☐ Teach Economic basics
- ☐ Teach about Ambedkar and his philosophies
- ☐ Teach about Periyar and his philosophies
- ☐ Teach about women empowerment
- ☐ Create an awareness to selflessly serve the society, in outreach with unity and integrity, working towards the upliftment of the society along with personal growth

- ☐ Help to get rid of drugs and alcohol addiction
- ☐ Provide physical education and train them in various sports
- ☐ Teach them to develop leadership qualities, dignity, self respect and other personality development attributes.
- ☐ Take tuition to students who failed or study in standards 8, 10, +1 and +2
- ☐ Take tuition to children in other standards
- ☐ Teach illiterates Tamil and English alphabets and words and help them to read and write Tamil and English
- ☐ Train them in spoken English
- ☐ Provide basic computer education
- ☐ Train them to use Internet and email facility
- ☐ Train them to use basic computer related works such as taking print outs, scanning and teach them to use a basic printer
- ☐ Provide training in tailoring
- ☐ Provide training in any of the self employment skills

List other skills :

- ☐ Provide financial assistance for the above
- ☐ Find suitable persons with the above listed skills motivate them and provide necessary environment for the execution of the above

Please choose the suitable ones listed above.

If you have selected even one item, are you executing the plan now?

If you have answered "no", what are the reasons/inhibitory factors for not executing?

If ATP provides necessary help to solve the inhibition, are you willing to execute?
